  National Laboratory
  (925) 423-3157
  Email: tran26@llnl.gov

It is my pleasure to introduce to you the Vietnamese Association for Computing, Engineering, Technology, and Science (VACETS). This organization was established in 1994 as a non-profit, professional organization whose purpose is to network and foster the exchange of ideas and information.

This year, VACETS is organizing the 6th VACETS Technical International Conference (VTIC'05) at the Crowne Plaza Hotel in Milpitas, CA on June 4, 2005. The theme of this conference is "Opportunities in Multidisciplinary Science and Technology". Engineers, scientists, and professionals from all over the world are expected to attend. We plan to make an extra effort to attract and focus on students and young professionals. Thus, in addition to the tradition of inviting senior business leaders and prominent scientists to discuss the most current and relevant topics in multiple fields, we will also hold a poster session, panel discussions, exhibits and a formal dinner banquet with entertainment. For more information, please visit our homepage *<http://www.engr.sjsu.edu/cpham/VTIC05>*.

In order to attain the level of excellence that we strive for, we need financial support from sponsors like you. Since all members of the conference committee are volunteers, 100% of the sponsoring fund goes directly to support the event. The different levels of sponsorship are described on the next page for your review.

Your sponsorship will add great prestige to our gathering. It will enable us to put together a high-quality program and venue. On the other hand, we believe that your affiliation would benefit from the association with fellow Vietnamese professionals from all over the world, as the sponsoring organizations are mentioned throughout the event. This is a unique opportunity to expose our company and associates to a broad audience in industry, academia, government, and top-tiered students.

We look forward to meeting and including you in VTIC'05. For additional details, please visit our homepage to review the excellent programs from previous years as well as this year's agenda. Should you have further questions, please contact us.

Respectfully Yours,

Anh-Tuyet Tran, Ph. D.
VTIC'05 Treasurer

Sponsorship Levels and Recognition

☐ **PLATINUM PATRONSHIP**: For $3,000 your company name will be acknowledged in the opening ceremony and throughout all conference sessions, will be published in our proceedings, and will be bannered in the meeting halls. Your company logo will be included in our list of sponsorship on the conference website and your company will have an exhibition desk free of charge. We will also send you four (4) free full registration invitations including the dinner banquet.

☐ **GOLD PATRONSHIP**: For $2,000 your company name will be acknowledged in the opening ceremony and will be published in the conference proceedings. Your company logo will be included in our list of sponsorship on the conference website and your company will have an exhibition desk free of charge. We will also send you two (2) free full registration invitations including the dinner banquet.

☐ **EXHIBIT PATRONSHIP**: For $500 your company will have an exhibition desk free of charge, 1 full registration, and your company name will be listed in our conference proceedings as an exhibitor.
